Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

NOT A PERMIT

- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
- Ok to have a 2500 gallon water truck on the filming day for fire prevention.
- Ok to tap into City Water and Electricity.
- Electrical department will break the cable that crosses the north gate and the horse path, and roll it back to make certain that it doesn't obstruct the pathways during the weekend.
- Ok to carve part of the dirt burm at the foot of the horse trail, just west of the north gate, to widen the road and must restore to original or better conditions.
- If additional vehicles need to be placed on the grass, company must provide a plywood pathway to their designated spot and place the wheels on plywood.
- Ok to park equipment on the west side of Griffith Park Dr., after dark, and alternate traffic through the area, providing three (retired) LAPD officers, and maintain the closure in a manner that complies with all safety requirements, including starting it on the straight part of the southbound lanes.
- Ok to keep gates at Mineral Wells closed to vehicular traffic. Must allow maintenance vehicles to pass thru as needed.
- Ok for prop bench on Mineral Wells trails for duration of shoot.
- MUST put up signs if trail is used.
- Must post trail to notify equestrians of filming activity.
- Ok to park a motor home in north part of mineral wells on the dirt shoulder.
- Ok to park a motor home on concrete wash at Mineral Wells.
- Ok to park motor home on grass with plywood to block pump house.
- Ok to park working trucks and stake beds on the right side of the southern half of the Mineral Wells parking lot.
- May not block dumpsters.
